Writing Support Centre: Summer Academic Writing Clinic FAQs

Academics
Q. Is SAWC just for students entering English programs?
A. Not at all. SAWC is a university writing program: our program addresses critical thinking and writing skills that are applicable to all faculties. Certain seminars will address writing in specific subjects, but participants can choose which seminars to attend. SAWC enrollment generally mirrors Western’s faculty populations with a large portion of our participants entering Western’s two largest faculties: science and social science.

Q. Is SAWC a remedial program for those entering university?
A. SAWC is a transitional program, not a remedial program. The program is open to anyone interested in advancing their postsecondary writing skills and preparing for university standards. Participants do not need particular writing qualifications in order to attend. However, we do expect participants to be mature, academically motivated, and ready to tackle the responsibilities and challenges of postsecondary education.

Q. Do I receive academic credit for attending SAWC?
A. No, attending SAWC will not count as academic credit. However, Western students can list SAWC as an approved activity on Western’s Co-Curricular Record, an online record of extracurricular activities, which can be featured on résumés and applications.

Q. Will my attendance at SAWC show up on my transcripts?
A. No.

Q. I am attending SAWC with my friend. Can we be in the same group?
A. Requests for accommodation should be sent to the SAWC Programmer (sawc@uwo.ca) well in advance of your session’s start date. We will do our best to accommodate, but we cannot guarantee all participants’ requests will be met.

Q. I am attending another university in the fall or do not plan to enroll in university this year. Can I still enroll in SAWC?
A. Anyone can enroll in SAWC, although only Western students can earn Co-Curricular Record recognition.

Q. Can I attend a seminar offered in a subject outside of my faculty?
A. Participants can attend any seminar they want.

Q. Do I have to sign up for the seminars?
A. Participants are not required to sign up for the seminars.

Q. Who will be teaching the seminars?
A. All of our instructors are experienced Writing Support Centre staff and include Western faculty members.

Q. What professors will be attending the professor panel?
A. Panel speakers will not be finalized until close to the session start date. Our
scheduled time limit allows for 4 - 5 speakers. Consequently, we cannot accommodate a professor from every faculty, although we strive to make our panel as diverse as possible. Participants are asked to arrive on time as a sign of courtesy to our speakers.

Q. I have questions/concerns regarding my upcoming first year. Can I ask the instructors for advice?
A. Instructors are happy to answer participants’ questions at the appropriate times. Additionally, most of the volunteers and dons assisting with SAWC are either current or recently graduated Western students and would also be happy to answer your questions.

Q. Is there homework?
A. No homework is assigned during SAWC. Our busy seminar schedule does not allow enough time for completion and evaluation of a written assignment for the number of participants who attend our program. Furthermore, it is against Writing Support Centre policy to grade work as this is the responsibility of course instructors and/or TAs alone.

Q. Can I bring previously written work?
A. On Thursday (Day 2) afternoon, instructors will be available to discuss one example of participants’ previously written work one-on-one. These limited one-on-one sessions are on a first-come first-served basis. Participants may bring either a printed or digital copy of written work.

Schedule and Time
Q. When do classes begin?
A. On Wednesday (Day 1), registration runs from 9:30-10:30 a.m., with the first class beginning at 11 a.m. On Thursday (Day 2) and Friday (Day 3) classes will begin at 9:00 a.m.

Q: Can I skip registration?
A: No. Everyone must complete in-person registration, even if not staying in residence. Participants who fail to submit their signed Acknowledgement and Assumption of Risk form during registration will not be allowed to attend SAWC.

Q. What time do classes end?
A. Wednesday (Day 1) classes end around 5:00 p.m. Thursday (Day 2) classes end at 4:30 p.m., but participants may stay for the optional one-on-one session, which ends at 5:15 p.m. Friday (Day 3) classes end at 2:30 p.m. Anyone staying in residence must return their room key and check out of residence by 3:00 p.m. Friday.

Q. Can I leave early on the last day?
A. Participants may leave at any time for any reason; however, if they are staying in residence, they must checkout and return their room key before 3:00 p.m. on Friday.

Q. I have an appointment to see my academic counselor but will have to miss a class. Is that okay?
A. While at SAWC, participants are expected to assume the responsibilities of a university student: the decision to miss class is yours— as are the consequences. Participants will not be reimbursed for any class they miss for any reason, and
instructors will not provide participants with notes from a missed class. If you miss a class, you should arrange to get notes from a fellow participant, not instructors.

Q. How will I find my way around on Day 1?
A. After completing registration, participants may make their way to class using the map and schedule provided in their registration bag, or join a group led by one of our staff members who will take you to the first class. Afterwards, staff members will direct participants to where meals will be taken.

Q. I want to buy some of my textbooks while I’m on campus. Will I have time to do that?
A. The Book Store typically closes around 4:30 p.m. in the summer. If participants want to buy textbooks or purchase Western gear, they should plan on using part of their lunch break to visit The Book Store. The Book Store is located in the lower level of the University Community Centre.

Q. Are evening activities planned?
A. A number of on-campus activities are planned for participants. Participants will learn of these activity options when they arrive on campus and can speak with staff members and dons if they have questions. We encourage participants to check the SAWC Facebook page while on campus since we will also be posting announcements about activities there. Past activities have included a movie night at Western Film; an evening of star-gazing at Cronyn Observatory, hosted by the Department of Physics and Astronomy; a beach volleyball tournament; a bonfire and marshmallow roast; a campus scavenger hunt; and a pizza party. Participants staying in residence will have access to sports equipment, lounges with TV and DVD equipment, indoor table-top games, and a workout room.

Q. Can I use any of Western’s recreational facilities during SAWC?
A. Participants may purchase guest passes to Western recreational facilities, such as the Western Student Recreation Centre (WSRC) and University Tennis Centre (UTC), but may have to bring their own equipment and/or appropriate gym/pool wear. A day pass to WSRC typically costs around $10.00 + tax. Court space at UTC must be booked in advance.

Q. Is there a curfew?
A. No, but getting a good night’s sleep is strongly encouraged. Participants are expected to be punctual and alert in class. Arriving late to class is disruptive to your instructors and fellow participants. Instructors will not provide participants with class notes if they are late or miss class.

Accommodations

Q. What residence will SAWC be using for overnight accommodation?
A. Overnight accommodation will be at Ontario Hall, Western’s newest residence. Ontario Hall is located on the south end of campus at 230 Sarnia Road (entrance via the Althouse Faculty of Education off Western Road, south of Sarnia Road). Ontario Hall is a semi-suite style residence, so participants will have a private, lockable bedroom but share a washroom with their suitemate. Ontario Hall is also the location of Western
Summer Accommodations (WSA), which offers affordable, overnight accommodation from May to mid-August. If you are looking for additional nights of accommodation in London for either yourself or family members, you can arrange that directly through WSA by calling 519-661-3476 or visiting stayatwestern.ca.

Q. Do I need to bring a pillow or blanket?
A. Beds will be made with sheets, pillows and a blanket. If needed, more blankets can be requested from the Front Desk. Please be advised that the residence mattresses are firm; if you feel it necessary to your comfort, you may bring a personal blanket or topper.

Q. Do I have to bring my own towels/shampoo/soap?
A. Towels (medium-sized) and soap are provided, but shampoo is not provided.

Q. Is Wi-Fi available?
A. Yes. During registration, all SAWC participants will pick up their temporary Wi-Fi username and password from the Front Desk, even if they are not staying in residence. Some SAWC seminars include accessing the UWO wireless network on your personal device, and we would like all participants to have the necessary credentials to do so.

Q. Is drinking alcohol permitted during SAWC?
A. Drinking alcohol is NOT PERMITTED during SAWC. SAWC is a dry event. Any alcohol will be confiscated.

Q. Can I arrange to stay an extra night in residence before the clinic begins/ends?
A. Yes; however, participants must make their own arrangements. SAWC staff will not coordinate extra nights, and you will not be able to book the same room that you will stay in during SAWC as these rooms are booked internally. To arrange extra nights, call Western Summer Accommodations at 519-661-3476 or visit stayatwestern.ca.

Q. My parents/guardians are coming to town with me. Can you provide them with accommodation in residence?
A. Your parents/guardians are welcome to book their own accommodation with Western Summer Accommodations by contacting them at 519-661-3476 or visiting stayatwestern.ca. Please note, if you plan on sharing a suite with your parent/guardian while at SAWC, you should select the ‘non-accommodation’ rate when you register online so that you are free to book your own accommodation through Western Summer Accommodations. Parents/guardians are not allowed to stay in the same suite as participants who have registered ‘with accommodation.’

Q. I lost/broke my room key. Do I have to pay to replace it?
A. There is no fee to replace a lost or broken key.

Q. Furniture was broken in my room. Who is responsible for replacing it?
A. Participants staying in residence must sign a damages accountability form stating that he or she will take responsibility for everything in that room. Any damages to that room will be billed to the participant accordingly.

Q. My room is messy. Will housekeeping clean it for me?
A. No, housekeeping will not tidy your room until the last day. Any mess that is considered excessive will result in an additional charge to the participant staying in that room as per the damages accountability form.
Q. **I want to leave campus. Is this permitted?**
A. Participants may leave campus; however, the **Assumption of Risk** form that each participant must sign states that Western is not responsible for any actions or consequences that may occur on or off campus. Participants are encouraged to be responsible by telling family, friends, or fellow participants where they plan to go if leaving campus and when they plan to return. As part of online registration, participants are asked to provide their cellphone number in case of an emergency. SAWC staff will only contact a participant’s cellphone in the event of an emergency. SAWC staff will not monitor when participants leave or return to campus.

### Parking

**Q. Where can I park during SAWC if I am staying overnight in residence?**
A. Participants staying overnight in residence can purchase a parking pass directly through Western Summer Accommodations by clicking on the link below and following the directions: [https://conference.has.uwo.ca/Register/default.aspx?code=C000335](https://conference.has.uwo.ca/Register/default.aspx?code=C000335) Overnight parking is located behind Ontario Hall in Lot H (Althouse Lot). See [Western parking map](https://conference.has.uwo.ca/Register/default.aspx?code=C000335).

**Q. Where can I park during SAWC if I am NOT staying overnight in residence?**
A. Participants not staying in residence may use the metered parking behind Ontario Hall to park during registration. Participants may continue paying the metered rate at Ontario Hall, or move to one of the core lots such as Lot J (Social Science) or Lot D (Weldon). Payment into most lots is either by cash or credit. See [Western parking map](https://conference.has.uwo.ca/Register/default.aspx?code=C000335).

**Q. Where can my parent/guardian park during registration?**
A. If you are being dropped off for registration, your parent/guardian can pull up to the circular drive in front of the Ontario Hall entrance (follow the purple Western Summer Accommodation signs). This area is for drop-off only; any cars left in the drive or in the parking spots near the drive will be ticketed. Parent/guardians staying for registration should park in the metered spaces directly behind Ontario Hall. Parking can be paid for at the master meter or by downloading and using the app, HonkMobile. After paying for parking, you can enter through the back entrance of the residence and take the stairs or elevator to the 3rd floor where the lobby is.

### Payment

**Q. What is the cancellation policy?**
A. You must give notice to the SAWC Programmer by email (sawc@uwo.ca) a minimum of two weeks before the start date of your session in order to receive a refund.

**Q. Can I bring cash or a cheque and pay on the first day?**
A. No. All payments must be made by credit card online through the SAWC registration website.

**Q. Can I get a receipt?**
A. Yes. To receive a receipt, send an email request to sawc@uwo.ca with the subject line “Receipt Request,” and we will email you a receipt. Participants will not receive a receipt unless an email request is sent.
Q. Is there any financial support I can receive from the university to help pay for SAWC?
A. No, the university cannot provide financial support for SAWC participants.

Meals
Q. How will meals be served: buffet-style or off a menu?
A. A special buffet will be set up specifically for our group. Participants can serve themselves from the buffet as often as they want during meals.

Q. I am not staying in residence overnight. Am I still allowed to have breakfast/lunch/dinner?
A. Yes, meals are included in both rates for all participants. All participants are given lunch and dinner on the first day (Wednesday), all three meals on the second day (Thursday), and breakfast and lunch on the third day (Friday). Please note, the cost of meals cannot be subtracted from either rate. Those who choose not to partake in meals will not receive a refund or reduction in their program rate.

Q. Are snacks provided?
A. No, snacks are not provided. Participants should bring spending money and/or debit if they wish to purchase snacks at any of the campus/residence vending machines or campus eateries. Please note that during the summer, many of the campus eateries operate on reduced hours. Food and snacks can be also purchased at the grocery store and pharmacy in the lower level of the University Community Centre. There are several restaurants (Subway, Pizza Hut, Barakat Mediterranean Cuisine) and a 7-Eleven convenience store located near Ontario Hall (corner of Western and Sarnia Rds).

Q. Are there vegetarian options?
A. All meals include vegetarian options.

Q. I have a food allergy/restriction. How can I make sure my meal is safe?
A. Participants with dietary restrictions, such as gluten intolerance, should approach catering staff at meal times and notify them about their dietary restriction. The caterer will then identify what foods on the buffet are suitable. Participants with extreme allergies should notify catering staff at meal times and, if necessary, will have a separate meal arranged. Please note, the caterers are aware that some participants will require accommodation for a dietary restriction/allergy and are prepared with a limited number of alternatives; however, it is the participant’s responsibility to directly approach and communicate with catering staff during mealtimes to ensure their dietary needs are met.

Misc.
Q. Will I have to do a lot of walking?
A. Yes. Western is not a small university, and walking will definitely be part of your “university experience.” It takes about 15 minutes to walk from Ontario Hall to the SAWC classrooms in the Social Science Centre and another 5 minutes to walk from the Social Science Centre to the Grad Club where we will have our meals. Participants should wear comfortable walking shoes and give themselves enough time to travel between buildings. Be prepared to walk in rainy weather, as well as hot/cool temperatures. Vehicle traffic is allowed through campus, so participants need to be alert and obey pedestrian traffic signs when getting around campus. Please note, only certain classrooms and residences have the availability and amenities to best accommodate our
group, which is why these particular locations have been selected despite their distance.

Q. Can I bring my laptop?
A. Yes, although classrooms have a limited number of outlets for students to plug in their laptops. Additionally, participants are responsible for the safety of their laptops and should not leave them unattended.

Q. Why haven’t I received some of the emails?
A. Some emails, particularly those to hotmail accounts, are problematic, and may send our emails to your junk mail. If possible, use a UWO email account when you register.

Q. How do I get to SAWC registration from the train station?
A. London has a variety of taxi companies, or you can take the bus. For more information visit London Transit.

Q. I see that Summer Academic Orientation (SAO) runs from June 21st to July 11th this year. Does that mean I will have to plan two separate visits to do both SAO and SAWC?
A. The Student Success Centre, which runs Summer Academic Orientation (SAO), has generously offered to schedule a limited number of SAO appointments for SAWC participants so they can complete both SAWC and SAO in one visit to Western. SAO counselling sessions will only be arranged for participants through a pre-arranged request. Any participant wishing to meet with Student Success Centre staff to receive course registration advising must contact the SAWC Programmer at sawc@uwo.ca at least two weeks prior to the start of their session. Appointments will be arranged between 3:00 – 5:00 p.m. on July 20th, July 27th, and August 10th, and will run approximately 20 minutes. If you are in residence but staying for an SAO appointment, you should check-out and leave your bags with the Front Desk before breakfast so that you don’t have to return to residence in between the end of SAWC and the start of your counselling session. To learn more about SAO, visit the SAO website.

*If you have any additional questions, please feel free to contact the SAWC Programmer, Yvonne Fuller, at sawc@uwo.ca or at (519) 661-2111 ext. 85500*
